

## COVID-19 VACCINE

We know our community is anxious and curious as to when they will qualify for the COVID-19 vaccination.

At this time, Othello Community Hospital is scheduling vaccinations **BY APPOINTMENT ONLY**

1A tier 1, 1A tier 2:

- High-risk healthcare workers in health care settings
- High-risk first responders
- Long-term facility residents
- All other workers at risk in health care settings

1B tier 1: **BY APPOINTMENT ONLY**

- All people 65 years or older
- All people 50 years or older in multigenerational households(home where individuals from 2 or more generations reside such as an elder and a grandson)
- Educators and staff for pre-K through 12<sup>th</sup> grade
- Child care providers

We expect to add 1 B tier 2 starting **March 22, 2021**: **BY APPOINTMENT ONLY**

- High-risk critical workers who work in certain congregate settings: agriculture; fishing vessel crews; food processing; grocery stores; corrections; prisons, jail or detention centers; public transit; remaining first responders
- People 16 years or older who are pregnant or have a disability that puts them at high Risk for severe COVID-19 illness

Please call the COVID Vaccine line at 509-331-2676 and leave a message to schedule an appointment. Someone will return you call within 48 hours Monday – Friday.

You can also visit the Department of Health's website to see if you might or when you would be eligible for a COVID-19 Vaccine: [findyourphasewa.org](http://findyourphasewa.org)

SPRING / SUMMER

- Information on who is eligible for Phases 2, 3 & 4 coming soon.

**FOCUS ON EQUITY:** This approach prioritizes population groups who have been disproportionately impacted by COVID-19 due to external social factors and systemic inequities, including people of color; people with limited English proficiency; people in shared housing, crowded housing, and multigenerational homes; people in poverty and low-wage earners; people with disabilities that are connected to underlying health conditions that may put them at higher risk of COVID-19; and people with access barriers to healthcare. The [social vulnerability index](#) is one of several inputs informing equitable vaccine allocation.

**NOTE:** Immigration and health insurance status do not impact eligibility.

The timeline represented here is tentative and subject to change based on vaccine supply and demand.
